"Fronimo's generous servings of authentic delicacies seem like a steal at the restaurant's modest prices. It's enough to make your mouth and wallet shout "Opa!" in unison and will leave you with a taste for Greek for weeks to come."  
**AZ NIGHT BUZZ - AZ DAILY STAR**

"A Greek meal is best enjoyed in the company of family and friends. We always ensure our gatherings will be a hit by dining on a feast of Fronimo's exquisite Greek creations!" **K. KAVRAKIS**

".....Take for example, the tzatziki sauce. This is the delicious yogurt sauce that smothers the gyros and Greek hamburgers. George boils the milk and makes his own yogurt, after which he adds the cucumber, garlic and dill. Can you taste the difference? You bet! The baklava is also made with fresh butter, almonds, walnuts and honey. No expense is spared to do things right here!"
